THIRD JOINT STATUS REPORT ON REMAINING DISPUTES ON DISCOVERY

On April 22, 2025, the Court ordered the parties to “submit a joint status report as to any remaining disputes on discovery by Friday, May 2, 2025” (the “Order”). ECF No. 75. The parties submitted a joint status report pursuant to that Order on May 2, 2025 and, for the reasons stated in that report, agreed to submit a second joint status report. A second joint report was filed May 15, 2025.

Shell supplemented its production to Dedmon on May 7, 2025. Shell had additional supplemental production it agreed to provide to Dedmon on or before May 23,

2025. Shell was not able to meet that deadline due to a medical emergency for a family member. But Shell has agreed to complete all supplemental production on or before [June 13, 2025](#).

Dedmon previously communicated what he believes to be the remaining discovery issues. Shell responded to some of those issues on May 13, 2025. Shell continues to need additional time to respond to the remaining issues once additional supplemental production is provided to Dedmon next week.

The parties will file an updated joint status report on or before [June 17, 2025](#) as to then-remaining discovery disputes, if any.

Respectfully submitted,

/s/ Amy Gibson
